### Assembly

Head and Body:

1. Close the hole in the back of the head.
2. Sew the head onto the body.

Tip! If you pin the head onto the neck, your head will stay in place and make it easier

to sew it on.

Arms:

1. Pin the arms into place.

2. Sew the arms onto the body.

Tip! Closing the seam by crocheting over the opening will make sewing it to the body

easier. Also the arms and ears will lay nicely flat, instead of sticking out.

Legs and Shoes:

1. Sew shoe onto the foot and make the ballerina strap on the foot by crossing over each. Other the extra yarn tail.

2. Sew the legs onto the body.

Ears and Horns:

1. Pin the ears onto the head and sew them in place.
2. Pin the horns into place on the back and sew them on.

Bow:

1. Pinch the crocheted piece together to form a bow
2. Then sew the long tail back and forth to hold the pinch together
3. Take the rest of the tail and wrap it around to form the piece in the middle of the bow.
4. Sew the bow onto the head right in front of one of the horns.

Congratulations, you have completed the Amigurumi ballerina giraffe pattern.
