Hello to everyone,

We are in the season of mulberry fruit. The colors of the [crochet bear](#) are very similar to the mulberry color. Girls will fall in love with this wonderful toy and will play with it all the time. I really liked this toy. I hope you like it too. You can knit the toy as a housewarming gift and a newborn baby gift.

You must see the skirt of the berry-loving teddy bear. It's very cool and suits the teddy bear very well. There are pink colored patterns on the skirt. The shoes of the toy are pink in color and have a white stripe on them. The toy's dress is knitted separately from the teddy bear. Information on how to do it is written in detail below. The dress of the crochet bear [amigurumi](#) looks very cute. When you're done making the crochet bear amigurumi, you'll have a pretty big doll. Now let's [crochet](#) the teddy bear amigurumi step by step.
