Hi everyone,

I shared the amigurumi doll of the singer **Billie Eilish**, whom we all love very much. You can make the Amigurumi Billie Eilish pattern easy step by step. Thanks to the creator of the [free pattern](#). You can knit an Amigurumi doll for your loved ones and for your children. You can [crochet](#) for your friends who love Amigurumi Billie Eilish doll. They will be very happy with this wonderful gift.

The Amigurumi Billie Eilish pattern is very easy to make. For the free amigurumi pattern, we will need yellow and white yarn. We start with the legs of the [amigurumi doll](#). The feet are crocheted with white yarn. When the legs of the [amigurumi pattern](#) are completed, we continue to the body part without cutting the threads. We knit the arms separately. Then we sew it to the trunk. Yellow yarn for Amigurumi Billie Eilish pattern hair was preferred. You can change the color of the thread if you want. A light green color would look great. You can make Amigurumi doll eyes with plastic accessories. If desired, you can knit with black yarn. When you complete the amigurumi doll, you can put some makeup on her cheeks. Don't forget to add the Billie Eilish Amigurumi pattern to your favorites list.
