Rnd 20. FLO 12 sc (12)

Stuff the head firmly the fiberfill (start stuffing after rd18 and before you start with the body, the head must be stuffed firmly).

Shape the head whilst stuffing. I always stuff a bit more fiberfill in the cheeks, the head is then a bit wider at the bottom. Now its time to put some tension to the eyes, so the view is cuter.

Don't cut the yarn off. We are carrying on with crocheting the body. Note that there will be a colour change.

Body

Carry on with the body.

Colour change to ricorumi Print DK.

Rnd 21. (inc)*12 (24)

Rnd 22-23. 24 sc (2 rounds) (24)

Rnd 24. (3sc,inc)*6 (30)

Rnd 35. (2sc,dec)*6 (18)

Rnd 36. (1sc,dec)*6 (12)

Rnd 37. (dec)*6 (6)

Stuff the body firmly with fiberfill, the best is to start at rd35.

Pull the yarn through the FLO of the remaining 6 sc and secure it.

Cuffs of the sweater: turn the body upside down and crochet with ricorumi Print DK in the front loops of rd29 one sc in the next 36 loops.

Finish off with a sl st, tie the ends of the yarns together and hide them in body.

Close the opening with 3 sc. Pull the yarn through the last stitch and leave a long tail to sew the ears later to the head.

The ears don't get stuffed.

Fold the bottom part of the ears in half and sew them with a few stitches together (a little wrinkle will form).

Rnd 7-11. 9 sc (5 rounds) (9)

Crochet 3 more sc and make a colour change to Ricorumi Print DK, with that the beginning of the rnd will be moved.

Rnd 12-15. 9 sc (4 rounds) (9)

The top part of the arms are not stuffed/ filled.

Make 1 more sc (the edge should be in line with thumb), close the opening with 4 sc.

Pull the yarn through the last stitch and leave a long tail to sew the arms to the body later.

Rnd 18. (4sc,inc)*3 (18)

Rnd 19-20. 18 sc (2 rounds) (18)

Rnd 21. (1sc,dec)*6 (12)

Rnd 22. (dec)*6 (6)

The top part of the legs do not get stuffed. Pull the yarn through the front loops of the remaining 6 sc and close the hole.

Leave a long tail for sewing the legs later to the body.

Now we will embroider the details to the paws with thin black thread. Embroider 3 lines to divide the paw in 4 parts (toes).

Fluffy Tail

(Scheepjes Furry Tales, HS 3.00)

Rnd 1. 6 sc in MR (6)

Rnd 2. (inc)*6 (12)

Rnd 3. 12 sc (12)

Finish the round with a sl st and hide the yarn in the inner of the tail. Later we will sew it with cotton thread to the body.

Alternatively you can also use a small white pompom.

Headband

(Ricorumi Print DK)

Here we crochet in rows. Chain 61 and start in the 2nd ch from the hook: 1 slst, 59sc, 1slst.

Cut the yarn, tie the ends together and secure them.

Assembly Head

- For the eyerim I used white cotton yarn and with a coloured yarn (I used purple) I embroidered a small accent.
- The eyelid is made with black cotton yarn and the lashes with thin black thread.
- I made the nose with pink cotton yarn in rd13 over a length of 3sc. With thin black embroidery thread you can put some details to the nose.
- The eyebrows are embroidered the thin black thread slightly aslant in rd8. The distance between them should be 6sc.

- If you like, you can embroider cheeks with pink thread under the eyes (I would make them 2sc wide).

- Sew the ears on the left and right side of the head between round 3/4.

Assembly Body

- Sew the arms to the left and right side of the body directly under the head.
- Sew the fluffly bunny tail (pompom) at the center back of the sweater.
- Sew the legs to the left and right side of the body directly under the sweater.
- At the end you can sew a buttom to the sweater.
