BODY

Crochet in continuous spiral rows, do not join at the end row of connecting posts and do not turn the work if this not indicated.

At the beginning of the row, use a marker or other colored thread to help mark the first loop of each new row.

We take our Adelia Fantasy Luxe yarn and a 6mm hook (7,8,9 can be used) from anyone what it is.

On the second rope from the end, we make a loop and drag it into it the first rope folded in half, tighten a little, it turns out our first loop.

(see photo) We begin to dial air loops, I dialed 23 ch, this enough, we crochet by the strings between the pompoms, not on the pompoms pay attention. We close the crocheting in a circle. Follow our the pigtail from the air loops is not twisted. Marking the beginning of a row contrasting thread. Then we crochet in a circle 12-13 rows. We crochet only for the back half-loops!

Design and Assembly.

We embroider eyes on rows 14-15, at a distance of 5 loops.

Sew on the nose between the eyes, grabbing 3 rows 12-13-14. We embroider a mouth (see photo).

Sew on the ears on the crown of the head with threads to match, I use Iris in 2 additions.

Sew the head to the body for the 6th row of the head. Capturing 1 head loop and one

pajamas loop, then the next head loop and the same pajamas loop.

Sew the upper legs on the sides, retreating 2 rows of the body from above from heads. Lower, retreating 2 rows of the body from below.

Next, take the elastic and stretch it between the loops of the first row (see photo). The ends of the elastic meet at the bottom. We put our clip on them and tie a knot. We tighten our hole. We hide the tips inside the pajamas.
