Star

Make 2

Rnd1. sc 5 in MR (5)

Rnd2. (inc) x 5 (10)

Rnd3. ((hdc, dc and hdc in one st), slst in next)

Repeat sequence 4 more times (20)

Fasten off and leave long tail to sew.

Assembly

1. Align the two star pieces (back to back) and sew all around the edges until almost closed.

Stuff as preferred and sew close. Fasten off and leave the rest of the tail to sew star on top of the tree body.

2. Using pins, align the tree stump in the center at the bottom of the tree body. Add in weight if using. Add stuffing as needed and sew around edges to close.

Fasten off and weave in ends. You're finished.

Congratulations, you have completed the amigurumi Christmas tree.
