Friends, as you know, there is very little time left for Halloween. Now we need to prepare our [Halloween amigurumis](#). Today I will share with you an amazing [crochet doll](#) witch amigurumi pattern. I did the translation myself. It has a very easy and fluent construction. However, you need to pay attention to a few techniques. Then you can easily make witch amigurumi.

The legs and body of the witch amigurumi are crocheted together. But you have to do all the other parts separately. Then you can combine the pieces to have a magnificent doll witch amigurumi. These kinds of small [crochet witch](#) dolls have become quite popular lately. I hope you like. Now let's crochet the witch amigurumi step by step.

Take 2 yarns 30 cm long, fold and fix in loops in a circle. On the front, in 15 loops, we fix only 1 yarn 30 cm long.

Assembly:

- We fix all the details with pins and carefully sew everything.
- Sew the eyes between 11-12 rows, the distance between them is 11-12 loops.
- With the help of black and white yarn we embroider the eyes and then we embroider the nose and lips.
