Hello dear friends. Are you ready to make a plush crochet [bunny amigurumi](#)? Today we will crochet a wonderful doll bunny amigurumi using velvet yarn together. The pattern is very easy to make. You can find all the details of its construction in the description section of the pattern step by step. The brown color was chosen when

embroidering with amigurumi crochet. I think it is a pretty good choice as a color tone. In addition, the pink color of the body and skirt created a beautiful girl image. Bunny [amigurumis](#) are usually designed in the form of girl doll amigurumi. We all know this detail very well. In fact, most of the animal amigurumi [patterns](#) are designed as female.
