Now that we have completed the body part, we start making the pumpkin, it is explained in detail and step by step.

Head Tightening

The sample is shown using the example of a regular pumpkin

Take a very long thread

For tightening, you need a long needle with a large eye and semi- cotton yarn in the color of the head, pins. I have YarnArt jeand. We find the last row of increases, put a pin in each increase. We get 6 points.

We insert the needle into the lower part of the head and bring it out through the MR. We are looking for an increase point (we have a pin there). We put the thread on this place and insert the needle into the lower part of the head.

We withdraw the needle in the other lower part of the head. We find the second increase with pins, put on the thread and insert the needle into the MR, and draw it out from the bottom of the head in the next place for tightening.

Now that we've crocheted a pumpkin easily, let's make the cute character's hands.

Rnd 7: 6sc

We usually crochet:

Rnd 8-13: 6sc. Fold in half and crochet.

We have also crocheted her hands, let's not forget to ruffle her arms.

Ruffle for sleeves

Attach a thread of the color of the clothes, in the place where you crocheted. Through back of loop. Insert the hook from bottom to top (the nose of the hook looks at jack's head). Crochet 2ch, dc to same place, where was the thread attached. Next, crochet along 2 dc into each loop. At the end, sl st into the second lifting loop. Hide the thread.

We have completed the hands and sleeves of the pumpkin jack amigurumi character, it is almost ready. Now we move on to embroidering the legs.

Change color and crochet for through back of loop

Rnd 8: 9sc

We usually knit 7 rows of 9sc. Fold in half and crochet.

We also crochet the legs and it is quite finished. Now let's make the collar.

Collar

Insert the thread in the crocheted row per back st loops. For convenience, hold the doll upside down. We also introduce the hook and crochet 2 ch, farther inc in each column. At the end of the row we do slst into the second loop of the first row. Ch, inc in each loop, at the end of the row sl st in ch. Sc to the end of the row sc, ch, sc to the end of the row, sl st. Crochet finish the thread and hide.

We are carefully buttoning the crochet cute dress and then we will move on to the branch part and the pumpkin jack will be completely ready.
