

Crochet Santa Claus Rattle Amigurumi Free PDF Pattern

December 16, 2021

Dear friends, today I will share a wonderful crochet amigurumi pattern for [christmas](#). A santa claus amigurumi pattern with a magnificent appearance, although its construction is slightly different. Especially the crocheted santa claus amigurumi's beard looks really great. It has a really different design. Rattle amigurumi patterns are especially liked by children. But a rattle [amigurumi](#) in the shape of Santa Claus will be a real surprise.

I think the only problematic part of the Santa rattle [amigurumi pattern](#) seems to be its nose. In addition, while it is made in the form of a rattle, crocheting around the ring gives an appearance as if the amigurumi has arms. Now let's [crochet](#) Santa Claus amigurumi step by step.
