2.5mm hook and worsted weight for all parts besides arms, which require a 1.5mm hook and weight 2 yarn.

Body

Use white yarn. Stuff as you go, unless you're adding polybeads. This will be crocheted in a spiral (not a row with chaining and slip stitches).

Rnd 1: ch 2, 6sc in 2nd ch from the hook (6)

Rnd 6-14: (9 rounds): 36sc (36)

Insert one 6mm safety eye (used as a button) between rounds 8 and 9, and the second between rounds 11 and 12.

If you're adding polybeads, this is a good time to take a small nylon sock, fill it with some polybeads, tie a knot, and place it inside the doll. If there is room, you can add a little stuffing to the body. Continue to stuff with polyester fiber fill as you go.

Rnd 15: (4sc,dec)*6 (30)

Rnd 16: (3sc,dec)*4 (24)

Rnd 17: dec.x 12

Rnd 19: (3sc,inc)*6 (30)

Rnd 20: (4sc,inc)*6 (36)

Insert 8mm eyes between rounds 22 and 23, 5 stitches apart (or about 3-4 visible stitches, not obscured by the eyes). Make sure the eyes are centered with the

buttons on the body. Add a nose by taking a bit of orange yarn and wrapping it through a stitch or two right below in between the eyes.

Rnd 26: (4sc,dec)*6 (30)
