

Crochet Stay Puft Marshmallow Man Amigurumi PDF Pattern

Hello dear friends. Today I will share a crochet pattern of a character that is known to almost everyone. Today's crochet pattern is Stay Puft Marshmallow Man. This [crochet doll](#), which is very easy to make, will be a great gift amigurumi for your loved ones. I shared the details of its construction later in the article. It is done quite simply, except for a few points. Even beginners can make the Stay Puft Marshmallow Man.

By the way, the crochet doll is made using velvet yarn. I suggest you pay attention to this. While making an [Amigurumi doll](#), you tighten it in a few places on the face. This tightening is done in the eye parts. This is the most important part to pay attention to. After that is very easy. If you're ready, let's start. Let's crochet the Stay Puft Marshmallow Man amigurumi step by step.

We dial in blue 6 MR, then $(2sc\ 1\ inc)*2 = 8$ – cut the yarn – this is a pip on the Hat.

We dial in red 20ch, with 2 loops 19sc – fix, cut.

We crochet the collar in rotary rows.

21ch, then we turn and crochet 16 rows of 20sc, each row ending in the ascent.

We collect a chain of 61 ch in red and crochet from the 2nd loop 60sc this is a scarf.

ASSEMBLY

The legs are fastened with a yarn, but they are not made on the side of the body, as in many toys, but from below, for this, pull the yarn from the head down with a long needle, grab the legs and pull it back, fix it.

The handles are also on the yarn fastening on the side; we yarn the yarn not from the side of the hands, but from above, where there are decreases. You can sew on.

First, we sew on the collar, and the head is already on top. I used fabric paints for the white stripes and the lettering on the cap.
