

Hello dear friends, do you know lilo and stitch? We will crochet stitch [amigurumi](#). The pattern is completely free and quite cute. You can also use stitch amigurumi as a [keychain](#). The pattern is very easy to make. For starters, I've been focusing on these types of patterns lately. You can also check out our other easy [patterns](#). Very

simple [crochet](#) techniques were used when it was made. Therefore, it will not force you at all. The size is approximately 10cm.

I think it is a great solution to use buttons on your eyes while doing stitch [doll amigurumi](#). Such a design adds a very stylish air to the amigurumi. It is also quite gorgeous in the chosen color. I shared two differently made stitch pictures. I hope you like the crochet stitch amigurumi. Now let's crochet the stitch amigurumi step by step.
