November 7, 2021

Hello to all of you guys, welcome to my amigurumi blog.

Today I brought you a very cute [teddy bear](#) pattern, completely free. You can make this cute crochet teddy bear [amigurumi](#) pattern as a key chain. We are sure that you will like to attach the keychain that you made with your own hands to your bag, home or car keychain. If you wish, you can gift this cute [crochet](#) teddy bear keychain to your loved ones.

The designer designed the teddy bear as yakitori in this pattern, but it could be a very nice keychain. You can do this. Stay tuned for more free amigurumi keychain and amigurumi animal patterns.
