Hello to everyone,

You can make the cute shark amigurumi pattern in a simple step by step way. Be sure to read the description for this. You can use the cute [amigurumi](#) toy as a key chain. When the amigurumi pattern is completed, it will be 8 cm in size. Making the [free](#) amigurumi pattern is of medium difficulty.

Baby shark, to make an amigurumi [pattern](#), we first start from the body part. White and blue colored yarn is used in the body part. The mouth of the amigurumi pattern was crocheted using black thread after the toy was completed. You don't need to do your eyes. You can use plastic accessories for her eyes. The fins of the amigurumi shark are crocheted using blue yarn. The construction of the fin parts is very simple. You can give the cute amigurumi toy as a gift to your loved ones. Don't forget to add the baby shark amigurumi pattern to your favorite list.
