

Hi everyone,
Halloween day has arrived. I shared an amigurumi pattern on the theme of witches, the time has come for you. It is very easy to do it step by step. It has a medium difficulty level. The people you give the amigurumi pattern to will be very happy. This amigurumi pattern is very special. You can knit the Amigurumi doll pattern for your

children. You can use this amigurumi pattern for [Halloween](#) day decoration in your home.

It may take some time to make the Amigurumi witch hour come to the pattern. You can change the colors of all the parts as you like. You need to make sure that the Amigurumi pattern thread thickness is the same. You can make the hair color of the Amigurumi [crochet doll](#) pattern different. Red or yellow would look great. The amigurumi pumpkin patterns are crocheted with orange and yellow yarn. After completing the [Amigurumi witch](#) cauldron pattern, you can make a witch cauldron handle from fine copper wire. The amigurumi cat pattern is crocheted with black yarn. If you wish, you can knit with white or light blue yarn. Don't forget to add the Amigurumi witch hour pattern to your favorites list.
