### Mane

Dial 16ch. Set the marker to 16ch. We continue to dial another 30ch. From the second loop from crochet hook 3 sc into each loop to marker. Slst into a loop with a marker. We remove the marker. We cast on 30 ch, from the second we drank from the 3sc hook into each loop. We crochet in this way until the end of 16ch.

The tail is crocheted in the same way. But instead of 16ch, we dial 5ch. And instead of 30ch, we dial 20ch.

If this is inconvenient, you can crochet each spiral separately. And if you want a long mane, then gain more ch.
