

Hello guys. Today we will crochet a cute [fox amigurumi](#) pattern. The pattern is pretty simple and looks pretty cool. The fact that the [crochet](#) fox is a little detailed must be the most important thing that makes it attractive. Especially in small amigurumi, such details are very effective. You can also use the little fox amigurumi as a key chain.

Among the animal amigurumi patterns, I think one of the most common patterns is the fox **amigurumi**. I think the fox's cutest part is its nose. It also looks pretty cute in the embroidery on the crocheted fox's sweater. Now let's **crochet fox** amigurumi step by step.
