

Hello everyone, today I will share a very cute crochet giraffe pattern. The [crochet giraffe](#) is very simple to make and its facial expression is very cute. It is also a very useful amigurumi for long-term use. When working with amigurumi crochet, it is necessary to consider many factors. Animal amigurumi patterns are especially popular. You should know what kind of animals your child likes and make amigurumi

accordingly. Some kids just don't like animal [amigurumi](#) patterns. If you want to make crochet doll amigurumi, you can take a look at our different patterns. The giraffe [pattern](#) is pretty cute and easy. The most important detail in a crocheted giraffe is the flowers on its head. A crown is made on the head of the amigurumi with a pretty flower design. Such fine details make amigurumi much more pleasant than it looks. Now let's crochet the [giraffe amigurumi](#) step by step.
