Hello dear friends. Today I will share a wonderful amigurumi bunny pattern.

Our [crochet bunny](#) archive has grown considerably. If you wish, you can also take a look at other [crochet](#) bunny amigurumi patterns from the categories section. Today's amigurumi pattern is very cute and she has a very nice jumpsuit. Although the lower part of the jumpsuit is crocheted together with the legs, the upper part of the jumpsuit is made separately. That's why it looks pretty cute.

The collars of the Amigurumi bunny are also crocheted in a very nice way to protrude in the same way. Designs like this may take some of your time. Unfortunately, I cannot say that it is an easy [pattern](#) for beginners. However, when you make an amigurumi bunny, you will have a wonderful doll amigurumi. Now let's crochet the bunny [amigurumi](#) step by step.
