Fasten off and stuff firmly.

Ears (make 2):

Inner part of the ear. Work around the foundation chain. Use white yarn.

1. ch 19 (19)
2. Start in third chain from the hook (ch 2 counts as first dc stitch): dc 16, 6 dc in next st, now work in the opposite side of the chain: dc 17 (40)

Outer part of the ear. Work around the foundation chain. Use beige yarn.

1. ch 19 (19)

2. Start in third chain from the hook (ch 2 counts as first dc stitch): dc 16, 6 dc in next st, now work in the opposite side of the chain: dc 17 (40)

Do not fasten off and do the next step.

Connecting both parts of the ear.

Start from the outer part of the ear.

Ch 2 and turn your work. Place the inner side of the ear on the top of your work, so the stitches of last rows are one on top of the other and crochet through both parts (insert your hook in st of white part, then insert hook in st of beige part and then make a hdc): hdc 17, (2 hdc in next st) repeat 6 times, hdc 16, 2 hdc in next st, now work on the end of the ear: sc 3, sl and fasten off. Weave in the ends

Arms (make 2):

Work in rounds. Use white yarn.

1. sc 6 in magic ring (6)
 2. (inc) repeat 6 times (12)
 3. sc 12 (12)
 4. (sc 1, dec) repeat 4 times (8)
- Change to beige
- 5 – 8. sc 8 (8)
- Change to mint
- 9 – 10. sc 8 (8)
- Fasten off and stuff the arm. Weave in the end.

Tail:

Work in rounds. Use white yarn.

1. sc 6 in magic ring (6)
 2. (inc) repeat 6 times (12)
 3. sc 12 (12)
- Stuff the tail
4. (dec) repeat 6 times (6)
- Fasten off and weave in the end.

Assemble the bunny:

Use a strong sewing thread of beige colour to sew the parts together, because this velvet yarn does not work for that.

1. Sew the head to the body. Make sure that colour changes remain on the back side of the toy.
2. Attach the ears to the top of the head. It should be placed diagonally from round 1.
3. Attach arms to the sides of the body. They should be placed on the top mint round of the body.
4. Attach legs to the lower part of the body on round 7 (1 round away from mint). Feet should be pointed to the inner side. Make sure that you attach right leg to the right side and left leg to the left side and colour changes remain on the back side of the toy.
5. Finally, attach the tail to the back of the body on round 7.
