Fofo the bull amigurumi pattern is very easy to [crochet](#). The body, head and legs are crocheted together. The horns and arms of the amigurumi bull are crocheted with the same color yarn. The trousers and bow tie of the free pattern look great. On the amigurumi trousers, pockets are made using white yarn. The red bow tie is embroidered with crochet at the throat of the amigurumi toy. You can change this bow tie color according to the pants color. You don't need to do your eyes. You can make eyes using plastic accessories.
