

Hello dear friends. Today I will share a different design of Yoda from the star wars movie. This is the girl version of baby yoda. Did you like it? I think she looks very cute. Especially the size and color of the bow tie on his head looks gorgeous. Amigurumi baby girl yoda is a pretty easy [pattern](#). Even beginner friends can easily

make baby yoda amigurumi. As you know, [doll amigurumi](#) patterns are very popular lately.

If we talk about the amigurumi baby yoda, it looks a lot like the standard baby yoda patterns. In fact, the baby yoda's most distinctive area is its ears. The long elf ears are the most defining feature. You can find the baby girl yoda [amigurumi](#) dress at the bottom of the description. Amigurumi pattern is completely free. Now let's crochet [baby yoda amigurumi](#) step by step.
