Hi everyone,

I shared with you the rattle [bear amigurumi](#) pattern, which is the favorite of newborn children and babies. It is very easy to do step by step. You can make it with yarn that you don't use at home. Thanks to the creator of the amigurumi bear pattern. You can crochet the amigurumi rattle bear pattern as a gift for your loved ones. You can crochet for home decoration in your children's room.

The amigurumi rattle bear pattern is very easy to make. You can [crochet amigurumi](#) pattern using the colored yarn you want. The thread gauges you need to pay attention to should be the same. You can make the eyes and nose of the amigurumi [crochet bear pattern](#) using plastic accessories. If desired, you can crochet with black yarn. The part of the body and the structure of the arms are the same. Made in a way that kids can handle. Their ears are crocheted in different colors. After the head part is completed, it is sewn to the body part. The neck of the amigurumi rattle bear pattern is crocheted with white yarn. Don't forget to add the amigurumi rattle bear pattern to your favorites list.
