

Hello dear friends. Today I am sharing a cute and realistic [crochet dog](#) pattern. This very cute amigurumi dog has a gorgeous dress. As I said before, it is very difficult to find dress [amigurumi dolls](#). It is really difficult to make clothes especially suitable for animal amigurumi. Generally, the dress is knitted as a whole with amigurumi. However, here the hoodie is crocheted separately.

The [crochet](#) dog amigurumi pattern is completely free. Thank you very much darya for this pattern. The dominant color in the pattern is brown. If you wish, you can choose a different main color, but you should catch the color harmony well. Now let's crochet [dog amigurumi](#) step by step.
