I shared the amigurumi doll of Malala Yousafzai, who fought hard for the advancement of women in education and women's rights. You can make [free amigurumi doll](#) easy step by step. You can [crochet](#) an Amigurumi doll for your loved ones or for your children. Thanks to the creator of the pattern. You can use the amigurumi pattern to decorate your library or office.

Malala amigurumi pattern is very easy to do. We start the construction of the free pattern from the legs and feet. White yarn is preferred for feet. When the legs of the amigurumi pattern are completed, we continue to the body part without cutting the yarns. We knit the sleeves separately. When the sleeves are finished, we sew them to the body part. You can choose the color of the Amigurumi doll's scarf as you like. Her dress has small flower patterns. You can choose the color of the flowers that you like the most. The yarn gauges you need to pay attention to should be the same. When the amigurumi pattern is complete, you can put on makeup.
