Greetings friends.

Moomin is a name given to fictional characters. This fictional character, who uses extraordinary powers, is a member of the Scandinavian family and lives in caves. Its appearance is reminiscent of a hippopotamus.

Eyes and Mouth

Using colour B the pupils are stitched over round 9 with 2 sts in between, you will need about 4 sts.

For the second part you will use fabric glue (or you can stitch the eyes if preferred).

Split your yarn and only use two strands. To glue, pin the thread in place and when you are happy with the shape apply a small amount of glue under the thread.

Leave to set, sew in the loose ends.

The eyebrows are stitched and glued between row 11 and 12 with 2 sts in between. Use the same method as with the eyes.

The mouth is sewn at an angle on the side of the face with one large stitch across row 4 and 5, see picture on previous slide guidance.
