Materials

- Your favorite worsted weight yarn in two colors:
mc(the color of the basket)
cc(the color of the christmas tree)
- 5.00mm crochet hook
- Scissor
- Tapestry
- Needle (for weaving in ends)
- For decoration: pom pom, little wooden stars, beans, ribbons, use your imagination!

Skill level: Advanced beginner. the pattern uses the tapestry crochet technique and carries both colors of yarn along as you work. to change color, insert hook in stitch, yarn over, pull up a loop, with second color, yarn over and pull through both loops on hook.

Stiches & Terms

ch— chain

sc— single crochet

slst— slip stitch

hdc— half double crochet

inc— increase

BLO— back loop only

(...)x times— stitches in parentheses are repeated x times

CSC— Center Single Crochet stitch. The CSC stitch is done almost exactly like a SC, except for where you insert your hook!

It is tighter and denser than many crochet stitches, so my advice is to use a larger hook size

FINISHED SIZE: approximately height: 3.5"(9cm), diameter of bottom:4.3"(11cm)

Let's start crocheting the amigurumi basket pattern.

Are you ready?
