November 26, 2021

Hello to everyone,

I shared the little scientist [amigurumi](#) doll pattern for you. [Amigurumi doll](#) pattern is easy to make **step by step**. The free amigurumi pattern is of medium difficulty. The size of the free pattern is a little small, so it might be hard for you. Be patient and keep crocheting. You will be very happy when the amigurumi doll is completed. Amigurumi jaque doll pattern will help children to recognize their profession. You can surprise your doctor or scientist friend with this amigurumi doll [pattern](#). Thank you to the creator of the amigurumi doll pattern.

It is very easy to make the Amigurumi Jaque scientist pattern. We will [crochet](#) all parts of the free amigurumi pattern separately. You can change the thread color as you wish. The yarn thicknesses you need to pay attention to must be the same. The test tube pattern in the hands of the Amigurumi baby pattern is crocheted separately. If you want, you can sew the amigurumi doll when you complete it. So it will remain stable. Do not forget to add the Amigurumi doll pattern to your favorite list. Share the free pattern with your loved ones and friends.
