Friends, you must have heard of Lilo and Stitch. If you haven't heard of it, you can learn it from your children. Today we will [crochet](#) the Stitch character. A very cute and beautiful looking amigurumi. When you complete it, it will have a size of about 10 12 cm. I think the most decisive thing here is the colors preferred when making amigurumi. Very vivid and realistic colors are preferred. This makes the amigurumi look very cute.

The pieces are crocheted differently from each other and then joined together. I think this kind of amigurumis is much easier. It's actually pretty easy in crochet Stitch amigurumi. I will continue to share [doll amigurumi](#) patterns. Our free [amigurumi pattern](#) for today is Stitch! He is a fictional character, although he looks basically like a [koala](#). Now let's crochet the Stitch amigurumi step by step.
