

PDF Crochet Little Bee Mai Amigurumi Free Pattern

December 9, 2021

Hi everyone,

Bees are the cutest friends of spring. Today I shared with you the cute [amigurumi](#) bee pattern. It is very easy to make the free pattern **step by step**. Amigurumi will be the cutest toy of animal patterns. When the [free amigurumi](#) pattern is completed, it will be 16cm. It will be a great gift idea for next Christmas. You can make different accessories to decorate the [amigurumi bee](#) pattern. You can knit an amigurumi bee pattern in different colors and use it to decorate your home. Thanks to the creator of the bee mai amigurumi pattern. The little bee mai amigurumi pattern is very easy to do. We knit the legs and the part of the body together. Yellow, black and tan thread are used. You can change the thread color if you want. We knit the wings, arms and antennae separately. We will sew it to the body part after completing the parts. You can make eyes out of plastic accessories. Visit the lovelycraft page to see different amigurumi patterns. After completing the amigurumi bee pattern, you can put makeup on your cheeks. Don't forget to add the Amigurumi mai bee pattern to your favorites list.

MATERIALS

- Yarn / wool: choose the colors that suit you the most like (yellow, white, pink ...)
- Hook / crochet hook 3.00 mm.
- Safety eyes.
- White filling (fiber type, cotton ...)
- Needle for sewing, scissors and marker.

Basic level

SIZE: 16 cm

Abbreviations

st(s) – stitch(es)

sc – single crochet

dec– decrease

inc– increase

slst– Slip Stitch

dc – double crochet

() x... times – number of times we have to repeat the instructions.

HT– crochet only in the back strand

C.C. – color change in the last sc of the round.

- Crochet as tightly as possible and in a spiral, so that the stitches are together and the filling is not visible.
- With this pattern, you can make a large or small bee, depending on the thickness of the yarn / yarn you use.
- As a recommendation, I advise you to move “inc and dec” to avoid marks when crochet

Rnd 8-10. 1 sc in each sts (3 rnd) (9)

Assembly

STEP 1. We start with the head. Place the safety eyes of the size you prefer, at the height of the round 32, leaving 10 points of separation between them. Sew the ears between rows 32 and 34 to 6 stitches the eyes.

STEP 2. Sew the arms to the body at the height of row 22.

STEP 3. Join the wings, place them in the center of the back and sew.

STEP 4. Put on the hat and sew the small antennas in the highest part. The creative moment has come! Let your imagination fly! Use a strand of thread to make eyelashes, eyebrows, freckles ... personalize your little bee by placing its antennas and loop in the place you like the most ... remember that the small details are what mark the difference.

Congratulations, you have completed the Little Bee Mai amigurumi pattern.
