

Hello to everyone,

We are in the hottest days of summer. It will be a great pattern to relax you while you are resting in a shaded place and you will want to eat it when finished. It looks a lot like ice cream.

Penguin Ice Cream Amigurumi Crochet Pattern

Penguin ice cream, this cute toy will always be with you. The baby penguin is shown as if it were placed in an ice cream cone. It made him look very cute. On top of the penguin's head, a cherry and squeezed cream decoration is added to give the image of delicious ice cream. This made the penguin even cuter. I loved this toy and shared it with you right away. You should check your materials and start knitting.
