Dear friends, welcome all of you to my amigurumi blog. Looking for a different crochet teddy bear [amigurumi pattern](#)? If the answer is yes, you have come to the right address. Today I am sharing a wonderful crochet amigurumi teddy bear pattern. The name of this cute amigurumi is post bear Sam. I must say it's a bit of a high end amigurumi. However, it is a little difficult to find such patterns for free.

Yes dear friends. As I said at the beginning of the article, it is a really cute [crochet bear](#) pattern. Moreover, it is a completely free pattern. In this model, I liked the hat and the very cute looking bag the most. Although the hat is easy to make, the bag can be a bit of a challenge for you. However, if you follow the necessary instructions **step by step**, you will be able to make a great amigurumi in this way, I guarantee it.
