

Friends, today I will share a wonderful spongebob [amigurumi](#) pattern. First of all, I must say that it is very easy to [crochet](#) amigurumi. I am sharing the Spongebob pattern for the first time. I had never encountered a free spongebob amigurumi pattern before. It was very good! When you have finished crocheting the Spongebob, you will have a wonderful [doll amigurumi](#).

I hope everyone knows Spongebob. A cartoon character made of a sponge. You can use any of the shades of yellow you like as a color. There is no need for different types of materials as material. You can easily crochet [spongebob amigurumi](#) when you only have yarn in the required colors. The pattern is completely free. Now let's crochet the Spongebob Squarepants amigurumi step by step.
