Hello everyone, friends

We started a new week. Busy working days have started again and we will miss knitting. Do not forget to mark the best pattern model idea that you will make with great pleasure on your weekend or in your spare time.

Stuffed Teddy Bear Free Amigurumi Crochet Pattern

You will love to knit the brown stuffed plush [teddy bear crochet](#) with thick threads. The ear details above her head and the thin eyebrows above her plastic eyes are magnificently made. The hand knitted thin cardigan worn on it is very compatible with the color of the bear. The color of the vest is chosen slightly lighter than the color of the toy. The mouth and nose part are crochet with dense braids and looks very stylish. The bear [amigurumi toy](#) is 30 cm tall when finished and has a soft plush structure.

MATERIALS:

For a bear:

- color A – plush yarn of Himalaya Dolphin baby (No80337 brown color) 1 skein (120m (131yd)-100g)
