Assembly

Head and Body:

1. Thread a needle with a long strand of white yarn. Insert the needle into a hole on the trunk. Bring the needle to a lower corner of the eye. Wrap the yarn around the eye to a corner on top of the eye. Repeat for the 2nd eye. This creates a highlight.
2. Cut a long strand of darker gray yarn. Embroider some lines on the trunk if you would like.
3. Attach some green yarn on the back of the body above the skirt. Sl st around the waist. F/O and weave in the tail ends.
4. Sew the head to the body.

Ears:

1. Pin the ears onto the side of the head. I do not have exact placements for these. I try to judge where they look best.

2. Sew the ears onto the head

Sunflower:

1. Pin the sunflower onto the side of the head in front of the ear.

3. Green: Red Heart Spring Green
4. Pink: I love this yarn Pink

You can use different eye and nose sizes. You might have to adjust the placements if you change the sizes. You can use different hook sizes and weights of yarn. It will just change the size of your elephant and you might need to adjust eye placement. How you stuff matters! The type of stuffing you use, how you stuff, all this matters on how your elephant turns out. I prefer Polyfil stuffing but you can use other types.
