Hello to everyone,

Friends, today I will share two different patterns. The first is the pattern of the teddy bear and the other part is the pattern of crochet [teddy bear amigurumi](#) outfits.

Amigurumi crochet patterns are very easy to make. As for the color, I arranged it according to myself. You can choose your own colors. However, I recommend that you take care to use compatible colors.

The teddy bear's clothes consist of 3 parts. Shirt, hat and bag. When you crochet these three pieces, you will have a beautiful crochet teddy bear [amigurumi](#). Crochet teddy bears are no longer as popular as they used to be. Because there are so many amigurumi crochet toys. That's why I don't plan to share amigurumi teddy bears for a while. But if you still want, you can write to me. This crochet Teddy Bear Amigurumi completely [free pattern](#).
