

Hello my dear friends. I continue to share [tiger amigurumi](#) patterns for free. Today I will share a very cute crochet tiger [amigurumi](#) pattern. Amigurumi tiger pattern is completely [free](#) and pretty self explanatory. I tried to explain as much as I could how

to crochet step by step. When you finish crocheting the tiger amigurumi, it will have a length of 14 cm.

Tiger amigurumi is a very popular type of amigurumi that is loved by children. I think the most important factor in this is the tigger character, whom we know well in the winnie the pooh cartoon. Tigger is a very cute tiger as you know. Tigger's amigurumi pattern is available on our site. Crafted using velvet thread. You can take a look at it if you wish. Now let's [crochet](#) the tiger amigurumi step by step.
