

Velvet Crochet Bunny Amigurumi PDF Pattern

Dear friends, today I will share an amazing [bunny amigurumi](#) pattern. I can say that it is one of the most amazing crochet patterns I have seen recently. It goes without saying that such amigurumis are difficult to make. While making the [amigurumi](#), velvet rope was used and it has really adequate dimensions. Certain points of the [crochet bunny pattern](#) are really hard to make. You will need to show your mastery, especially when making the head part. I hope you enjoyed this beautiful crochet bunny pattern. Now we move on to the making of the bunny.

Assembly

We knit a nose with Iris in two additions. In MR ch, 5dc, turn knit, sc, leave a long thread to sew on.

Sew the nose on a row above the center and a row down.

Make a head-tighten:from the center of the bottom to the right eye, then to the left and down
Repeat 2-3 times.Pull in the center from the nose to the cotter pin, then embroider a smile and eyebrows.

Sew on the ears.

Attach the legs with a thread attachment.

Tops between 1-2 rows at a distance

13-14 sc (front). Bottoms between 8 – 9 rows at a distance

21-23sc (front)

Sew on the tail, making it a support when sitting.

With the remaining thread, embroider the navel between 12-15 rows – 5sc several times.
