Dear friends. Hello to everyone.

Today I will share with you a cartoon character amigurumi pattern that children love very much. Most of us know the name of this cute teddy bear. Yes, Winnie the pooh. It was a cartoon series that I watched every episode with admiration. I can still watch :). Thank you Catknit for designing this winnie the pooh teddy [bear](#) toy amigurumi pattern.

This very cute winnie the pooh [amigurumi pattern](#) is pretty easy. I think it will be a good choice for you who are new to knitting amigurumi. Amigurumi head part can be a little difficult. However, after completing this piece, your amigurumi will be very easy. I really like this teddy bear model. Okay, but why? Let me answer like this. It has colors that will warm your heart and I love the velvet rope. I also love the smile on his face. I talked a lot. Now I leave you with this cute **winnie the pooh pattern**.

18. *2sc, 1inv.dec** repeat* to**6 times (18)

19. *1sc, 1inv.dec** repeat* to**6 times (12)

Stop crocheting and stuff the head firmly, make sure you pad out the cheeks.

20. Inv.dec in each st (6)

Fasten off leaving a long tail for sewing the last stitches together.

Muzzle

1. Using colour C, work 6sc in magic ring (6)

2. Inc in each st (12)

3. Sc in each st

4. *1sc, 1inc** repeat* to**6 times (18)

Attach the nose across row 9-13, stuff as you go when sewing.

Nose

Chain 5, sc 4 starting in second st from the hook.
Fasten off leaving a long tail for attaching the nose to the muzzle.
Attach just above the middle of the muzzle.

Eyes

The eyes are sewn on in round 14, with 5 sts in between.
(Optional: To add a bit more shape to the face you could make a few sts

with colour A through the inside of the head between the two sts where

you'll be adding the eyes. Pull tightly to create an indent on each side.)

Using colour C make an upward stitch in round 14 and keep going over the same stitch, about 4 sts should do it.

Eyebrows

The eyebrows are sewn on in diagonal line across round 15 and 16.
The lower part of the eyebrow should start in round 15, count 2 sts away from the eye. The higher part of the eyebrow should end in line with the eye in round 16, only one long st is needed.

Mouth

The mouth is sewn on in row 16 using a long st that curves below the muzzle.
Make a st across each sides of the smile in row 16 for the smile lines.

Ears (make 2)

1. Using colour A, work 6sc in magic ring (6)

2-3. Sc in each st

Attach the ears across round 16 (2 sts away from eyebrow) to 19.

15. *5sc, 1inv.dec** repeat* to**6 times (36)

16. Sc in each st

17. *4sc, 1inv.dec** repeat* to**6 times (30)

18. Sc in each st

19. *3sc, 1inv.dec** repeat* to**6 times (24)

20. Sc in each st

21. *2sc, 1inv.dec** repeat* to**6 times (18)

22-23. Sc in each st

Stuff the body firmly and fasten off leaving a long tail for attaching the body to the head. Sew the two parts together.

Legs (make 2)

1. Using colour A, work 6sc in magic ring (6)
2. Inc in each st (12)
3. *1sc, 1inc** repeat* to**6 times (18)
- 4-5. Sc in each st
6. Inv.dec 6 times, sc in the rest of the sts (12)
- 7-13. Sc in each st

Fasten off leaving a long tail for attaching the legs to the body.

Stuff the larger bottom part of the leg firmly and the upper part lightly.

Close the leg with a flat seam across the top (this seam will sit flush with the body) before you sew in place across row 16 and 17 of the body.

Arms (make 2)

1. Using colour A, work 6sc in magic ring (6)
2. Inc in each st (12)
- 3-7. Sc in each st

Change to colour B

- 8-13. Sc in each st

Fasten off leaving a long tail for attaching the arms to the body.

Stuff the arms lightly (you don't want them sticking out too much).

Close the arms with a flat seam across the top.

Attach the arms in row 22 and make a few sts under the arms in a couple of rows further down so the arms doesn't stick out.
