

Dear friends,

Hello everyone first of all. Today I will share a crochet amigurumi pattern prepared using velvet yarn for you. As you know, plush [crochet amigurumi](#) is made using velvet yarn. This is how this cute [crochet bunny](#) was crocheted. It's usually not easy to crochet such an amigurumi, but I don't think you'll find it very difficult thanks to the **step by step** pattern instructions. Therefore, I can say that it is one of the good options for beginners.

First of all, there is no dress pattern in the [amigurumi pattern](#). I'm so sorry for this. You can contact the pattern designer for the dress. However, I think it has a very impressive appearance as it is. An extremely large amigurumi [pattern](#). The size of the finished amigurumi [crochet bunny](#) toy will be about 40 cm. I wish you success in advance, don't forget to keep following us for new free amigurumi patterns.
